## Busyfold® Heavy Duty kits

Busyfold® heavy duty kits feature aluminium frame for longer life and include headers and carrying bag

These packages are a cost effective solution to purchasing a folding display system. Robust folding panel system with 700 x 1000mm panels, framed with anodised aluminium interlocking gear hinge, which prevents daylight showing between the panels. Top and bottom panels lock on top of each other for greater security. Available in a 6 or 7 panels with a single header, while the 8 panel option has 2 headers. The system is stored in a rugged carry bag for transportation. Double sided panels are covered in a choice of 4 loop nylon colourways which are fire retardant to BS5867. Accepts Velcro® or Busyfix as well as pins.

#### Tabletop folding display systems

Ideal for small presentations and displays, course work or exhibitions and fairs. Available in landscape or portrait formats. Storage bag is included.

## Busyfold® Light kits

Buy the complete package - Busyfold Light system kits which include headers and a carrying bag

These kits are a cost effective solution to purchasing a folding display system. Lightweight folding panel system with 600 x 900mm panels are PVC framed in a choice of black or grey. Top and bottom panels are linked with flexible hinging, and clip on top of each other for easy assembly. Available in 6 or 7 panel kit with a single header, while the 8 and 10 panel options have 2 headers. The 10 panel unit features 2 triangular plinths for displaying 3D objects. Each system is stored in a rugged carry bag/s. Double sided panels are covered in a choice of 4 loop nylon colourways which are fire retardant to BS5867. Accepts Velcro® or Busyfix as well as pins.

#### Tabletop folding display systems

Ideal for small presentations and displays, course work or exhibitions and fairs. Available in landscape or portrait formats. Storage bag is included.
