Our top picks for training rooms 16

EOL designs and manufactures office furniture and equipment for offices and shared workspaces.

Our ranges are inspired by French design and are functional, creative and long-lasting.

BEAT THE BACK-TO-WORK BLUES BY REVAMPING YOUR MEETING SPACES

Meeting rooms are a key space in any company, providing an interactive space where great ideas happen and projects come to life. Careful design is key to getting the most out of meetings.

OUR TIPS FOR SUCCESS:

- Make sure the tables are the right size for the space
- Provide easy access to power and network connection points
- Choose comfortable, lightweight chairs that can be moved around easily

See page 3 for our top picks for meeting rooms:

- Fixed or mobile tables of all sizes (2 to 8 people), with built-in connectivity solutions
- Generous, comfortable chairs
