ENVOL RÉUNION

ERGONOMIQUE

Envol meeting tables offer a brand new feature, height adjustability. Envol follows changing work habits which have become flexible. Designed to accompany you in your informal or formal meetings, the tables adapt to the physicality and needs of your employees. Envol also features an elegant design, a successful combination of sleek lines and functionality thanks to the optional solutions.

Details

1. Vertical cable management. 2. Electrical height-adjustable metal leg allowing easy lateral movement.

Materials and warranty

Our industrial know-how guarantees the quality and durability of the materials used to make our furniture.

STRUCTUREX® PANELS

Full panels of particles with melamine surfacing. Counter-balanced and treated against reflection. Thickness 16 to 25 mm. Density 680 kg/m³ for the 25 mm panels. Tested as conforming to abrasion and hot & cold water resistance to the XP D60-050 standard.

5 YEAR GUARANTEE

The quality and durability of the materials enable us to guarantee all our ranges for 5 years under normal conditions of use.

+ More details
