

Poetry Pod

Poetry Pod is perfect for those informal or impromptu meetings, for casual dining or as chill-out pods and can be supplied with tables in a host of colours. Cable ports, cordless phone chargers and power banks can be fitted into tables or into the adjoining media wall, the construction of which is designed to accommodate wall mounted monitors.

Poetry Pod is manufactured to exact measurements and is fitted with robust inconspicuous joining links enabling the media wall units to be individually locked into place once in position as well as being suitable for de-mounting should a move be necessary.
