

PRODUCT DATA SHEET

Connex add on unit single 1200mm x 800mm - silver frame, beech top

CO128-AB-S-B

As bench solutions are becoming more popular and mainstream in open plan offices, the Connex range has been developed in response to modern office design and is a more cost effective alternative to the popular Adapt II benching solution. Through its twin fixed beam steel frame construction, Connex is robust enough to cope with the rigours of a busy office and is an ideal modular system for high density office spaces.

PRODUCT FEATURES

- Single straight desk add-on unit 800mm deep, supplied with a recessed centre leg
- Recessed leg is positioned in the centre of the bench desks and can be extended with further add-on units
- 25mm desktops available in beech, maple, oak, walnut and white with cable access ports
- Silver or white rectangular steel leg frames for enhanced strength and stability
- Quick assembly modular bench desk system for high density office spaces
- Horizontal and vertical cable management allows cables to rise from the floor via mass cable risers and shared cable
