Delivery 20 Days Max Load 250kg Made in Britain

## Wheelbarrow Skip

Max Load 250 Kg British Made

Fully welded construction in sheet steel with formed top edge and front nose strengthening. Tubular push handle continues down length of body for extra strength. Front and rear tubular supports allow for static and tipping use.

Fully supported tubular axle fitted with choice of 400mm diameter solid rubber or pneumatic tyred wheels with roller bearings.

Finish: Blue epoxy.
