Other stainless steel steps can be made to order, all enquiries are welcome.

High quality range of mobile step units, manufactured from formed tube and sheet stainless steel of quality particularly suitable for food drink and chemical industries. Fully welded throughout for maximum rigidity.

All step units fitted with 4 x 80mm diameter spring loaded castors with grey non marking rubber tyres fitted in heavy zinc plated housing which retract when weight is applied to the steps, giving firm contact with the floor.

Anti-slip tread surfaces.

Each unit is fitted with four grey non marking rubber feet. Stainless steel treads covered with anti-slip surface which is both hard wearing and resistant to water, oil and most chemicals.
